## Custom Converting and Manufacturing Serving Your Specific Needs For:

Printing - Laminating - Slitting/Rewinding - Waxing - Creping - Sheeting - Die Cutting  
**Capabilities**

- 1-6 Color Printing
- Widths 1"-74"
- Rewind Diameters to 58"
- Unwind Diameters to 85"
- Sheeting Widths up to 65"
- Sheeting Lengths from 12"-205"
- Paper
- Chip Board
- Tissue
- Polyethylene Films
- Nonwovens
- Your own material

## Impex International Group, Inc.

Importer/Exporter / Converter / Distributor of all types of Industrial, Packaging and Specialty Films  
Standard and Specialty Products

**Custom Slitting, Sheeting, Die Cutting**

**Silicone Polyester Quilon**

**Polycoated POLYETHYLENE**

**Casting Kraft**

**Rolls/Sheets/Diecuts**

**Release Paper and Film Liners**

**Typical Applications:**

Interleaving Tape and PSA materials  
Die Cutting Tape and PSA Materials  
Lamination of Adhesive Products  
Casting/Coating/Extruding

**Advantages**

In Stock, Quick Shipments  
Small to Large Orders Welcome  
Custom Converting to Specification  
Large Variety of Products

**Products**

Release one and two sided coatings  
Silicone, Quilon, Non Silicone Substrates  
Types: Solvent, Emulsion, Solventless  
Tin, Platinum, Rhodium, Thermal, UV/EB  
Release Levels Easy to Tight  
Substrates: Paper (25# to 200#), Glassine  
Polyester, Polypropylene, LDPE, HDPE
